

ILR 2008/09

Field A14 for Employer Responsive Funded Learners

For Train to Gain (including NVQs in the workplace previously funded under FE)

- Code 09 For any Skills for Life literacy or numeracy aims within Train to Gain. These are fully funded.
- Code 10 For any learning aims which are not fully funded but the provider has waived part or all of the employer contribution.
- Code 22 First full level 2 learning aims (this should be all of the Train to Gain level 2 aims started prior to 1 August 2008). These are fully funded.
- Code 24 First full Level 3 learning aims where the learner is progressing from a Level 2 qualification and is aged 19-25' and the description of 22 to read First full Level 2 learning aims (this should include all Train to Gain L2 aims started prior to 1/08/08) and Level 3 jumpers
- Code 28 If the learning aim is fully funded for a reason that is not specified in the code list, e.g. a fully funded second level 2 qualification.
- Code 99 For any learning aims which are not fully funded where the employer contribution is collected in full. This includes ESOL and ESOL for work qualifications.
